

June 2023

Hello members,

Hard to believe June is almost over, we want to thank the Havlik Family for letting JGCC host their Team Reed Golf Tournament again this year. Which takes us to some other tournaments hosted by members of JGCC supporting and remembering loved ones while raising funds for good causes.

UPCOMING EVENTS	
6/24/2023	Battle for Betsy Golf Tourney – Red Carpet, Waterloo
6/25/2023	Catholic Foresters 8:00 AM
7/9/2023	3 Person Big Money

The Battle for Betsy is on 6/24 at Red Carpet in Waterloo the tournament is full but there is an online auction available at the following link <https://tinyurl.com/BattleForBetsy>

Also the AKBK Legacy Golf Tournament is Saturday July 15th at Fox Ridge in Dike. This is filling up quickly, but online registration and payment for this event for Andy and Beckett Kaufman at the following link <https://tinyurl.com/AKBKLegacy>

Ladies league kicked off their season at the beginning of the month and is off and running on Tuesday nights. We ask if you are out playing while any league is going on do not jump from hole to hole or hit into league players. We are still seeing lots of play from members and non-members, so everyone needs to go off of hole one, we know that its very tempting to look down to hole 6 and see an open tee box but all that does is cause other jams further back. Sit and wait patiently for your turn on 1, slower groups please let others play through if there is room in front of you. As a reminder on June 1st Thursdays became 18+ after 12:00 PM unless accompanied by an adult. This includes members if your child is not 18 and wishes to play they need to be with an adult.

We have been informed by some sources that the project to redo the road from town to the course has been approved, we have not heard any other official details, there are some rumors about a potential schedule and road closure we are not abreast to any official details so we will get that out as soon as we hear more on when this city project will take place and any concerns with getting to and from the course during that project if there are any.

Tee sheets for the club tournament will be posted in the clubhouse in the next few weeks and we will send out notification to the members at that time to start sign. Also the website has been updated to include a new course flyover page with a video of each individual hole.
